Michael J. Mendes
Assistant Principal

October 19, 2009

Dear Parents/Guardians:

The Plumsted Township School District will be continuing its pet therapy program during the 2009-2010 school year. Approximately once per week, a certified therapy dog will be housed at New Egypt High School. This pet is licensed, insured, and thoroughly vaccinated.

If there are any circumstances that would preclude your child from being exposed to this animal, please notify the main office.

Sincerely,

Thomas G. Farrell
Principal
